

**Poplar Heights 2012 Winter Swim  
Registration Form**

Welcome to Crush Winter Swim! This program is for **swimmers of all ages** who want dive in and get ready for our 2012 summer season. To participate, swimmers should have a working knowledge of strokes and be comfortable with swimming freestyle or backstroke one length across the pool. Our coaches will be working with swimmers to fine tune strokes, dives, turns, and sprint technique. *If your swimmer is just learning strokes and you would like more individual attention, we recommend that you contact the Fairfax County Park Authority to take advantage of their excellent lesson program.*
